ARTICLE I
RECOGNITION

Section 1. The Borough recognizes the Lodge as the sole and exclusive representative of all permanent patrolmen covered under this agreement.

Section 2. The word "patrolman" when used in this agreement shall be construed to include both singular and plural numbers.

ARTICLE II

MAINTENANCE OF STANDARDS

Section 1. The Borough shall not discharge or discriminate in any way against any patrolman for police association activities or for police association membership so long as the same does not in any way unreasonably disrupt normal operations of the Police Department.

Section 2. The rights of both Borough and Patrolman shall be respected and the provisions of this agreement for the orderly settlement of all questions regarding such rights shall be preserved.

Section 3. Patrolmen shall retain all civil rights under the New Jersey state, federal and local laws.

Section 4. This agreement shall not be changed or amended except by mutual agreement of both parties.

ARTICLE III

WORK WEEK, OVERTIME

Section 1. The regular work week for all patrolmen shall consist of five (5) working days, eight (8) hours per day, for all shifts, but this Article shall not be deemed to affect, or create a work period contrary to, the terms of a resolution of the Borough of Collingswood dated December 27, 1974, subject: Determining Work Period for the Police Department of the Borough of Collingswood.

Section 2. Overtime shall be paid at the rate of one and one-half (1 1/2) times the hourly salary for all hours worked beyond the normal work period, in accordance with the provisions of Articles IV and V hereafter.

Section 3. Overtime shall be paid in the form of a check and so indicated as overtime on the check stub. Payment shall be made on the first pay day of the month following the month during which overtime was worked.

ARTICLE IV

TELEPHONE ALERT, STANDBY, HOLDOVER

The following compensation shall be paid where patrolmen are placed on telephone alert, standby or are held over:

(a) Telephone alert: Defined as requiring the patrolman to leave a telephone number where he can be reached. No compensation will be paid.

(b) Standby: Defined as instances where a patrolman is actually called in, while off duty to the police station by the Police Department. The patrolman shall be paid not less than one (1) hour straight time pay and all computations shall be made to the following hour. If the period during which the patrolman is at the police station is in whole or in part time other than his normal working shift, he shall be paid overtime as specified in Articles III and IV during all such time not part of his normal working shift.

(c) Holdover: Defined as instances wherein the patrolman is required to stay beyond his regular working shift. Where the patrolman is required to stay thirty (30) minutes or less, he shall be paid for one-half (1/2) hour at straight time pay. If the patrolman is required to stay for more than one-half (1/2) hour, he shall be compensated for all time in excess of one-half (1/2) hour at the rate prescribed in Article III for overtime. During the negotiations leading to this contract, the parties reached a gentlemen's agree-

ment as to the proper interpretation of this paragraph. Such gentlemen's agreement is set forth hereinafter not as a contractual agreement between the parties but simply to record their understanding and indicate how the parties intended that this paragraph be construed. The patrolmen agreed that in the event they are held over for twenty (20) minutes or less, they will not make claim for any compensation. The Borough agreed that they would not use that agreement as a device to get twenty (20) minutes extra work out of the patrolmen and would expect a patrolman to remain on duty beyond his normal work shift only in the event of emergency or in such other circumstances where a dedicated police officer would believe it necessary for him to remain on duty. The parties do agree that in the event either party feels that the other party is abusing this understanding they will get together to discuss the matter.

ARTICLE V

COURT TIME

Section 1. A patrolman shall receive the following compensation for appearing, while off duty, in court or before a state agency in any criminal, quasi criminal, motor vehicle, or juvenile proceeding arising out of his employment: The sum of Ten Dollars (\$10.00) for up to two (2) hours; overtime as provided in Article IV for time in excess of two (2) hours.

Section 2. In the event a patrolman is required to furnish his own transportation for any such appearance referred to in Section 1, other than for appearance in any such court or agency in Collingswood, Camden or within a five (5) mile radius of Collingswood, he shall receive compensation for his travel time at the rate of fourteen cents (\$.14) per mile, less any compensation received by him from any other source for such travel.

Section 3. The compensation provided for in this Article shall be paid in the form of a check on the first pay day following the month in which the same has been earned. This check shall be a separate check and shall be marked "Court Time" on the check stub.

Section 4. This provision shall be effective as of the date of the execution of this agreement.

taking the holiday and being compensated at straight time for the same.

Section 3. Holiday compensation shall be paid by separate check once each year or on the first pay day after December 1 to each patrolman for the holiday compensation earned by him during the year.

Section 4. Nothing contained in the preceding three paragraphs shall be deemed to give any patrolman the right to necessarily have holiday leave on any of the specific days named in Section 1 or to alter the practice antedating this agreement by which a patrolman applies for and is allowed days in lieu of the specific holidays named in Section 1, it being understood that holiday leave will not be allowable on a specific holiday named in Section 1 where another person on a shift is for any reason off duty that day. Requests for holiday leave days will be the responsibility of each patrolman and will be made early enough each year so that sufficient time will be available to allow each patrolman the holiday leave days authorized by this article.

The policemen shall advise the Borough not later than March 1, 1977 whether they elect alternative (a) or (b). In the event the patrolmen choose alternative (b), the \$250.00 clothing allowance shall be paid by the Borough to each patrolman not later than March 31, 1977.

ARTICLE XII

The Borough agrees that when an employee is permanently assigned to the 11:00 p.m. to 7:00 a.m. shift, a differential increase in percentage of base salary shall be negotiated; however, if a power shift is instituted by the Borough (power shift being defined as one commencing after 5:00 p.m. and before 9:00 p.m.) and the practice of volunteering for the "power shift" should be discontinued by the employees, then, in that event, no differential shall be negotiated for the "power shift" and employees will be assigned without differential benefit.
